

**Ardmore Baptist Church
Offers Automatic Contribution ...
It May Be For You!**

Now there's a helpful way for you to process your contributions to Ardmore Baptist. The church is offering the option of automatically drafting your personal bank account. With Automatic Contribution through Bank Draft, everything is taken care of for you. Instead of using church envelopes, writing checks, or mailing your payment, your gifts can be made directly to the church from your bank account.

Sound Stewardship

Automatic Contribution Bank Draft is a wonderful way to ensure that your church gifts take priority in the disbursement of your income. Your bank account will be automatically drafted for the amount which you designate. No more worrying about remembering to bring your gift or take it out of your Bible or purse. Plus, you will always keep your giving to the church up-to-date. Most important, you always have an exact record because your contribution will be reflected on your bank statement each month. It can produce sound stewardship, giving of the first fruits, and regularity in giving.

Convenient

It is our desire to make giving to your church a pleasure and a joy. By offering this option for giving, we hope to remove the hassles of giving. Automatic Contribution through Bank Drafts will enable you to give consistently and faithfully with the greatest of ease.
